

Daily Health Screening

If you do not have a lanyard/badge: print, sign, and send this document with each child on the first day of school. Students who do not have a lanyard or a signed form will be required to have a health check completed by school staff, including a digital temperature scan.

Does your student have any of the following symptoms:

- A fever of 100.4°F or higher or a sense of having a fever
- A cough
- Shortness of breath or difficulty breathing
- A sore throat
- Chills
- New loss of taste or smell
- Muscle or body aches
- Nausea/vomiting/diarrhea
- Congestion/running nose – not related to seasonal allergies
- Unusual fatigue
- Does anyone in your household have any of the above symptoms?
- Has your student been in close contact with anyone with suspected or confirmed COVID-19?
- Has your student had any medication to reduce a fever before coming to school?

The student must be excluded from school if the answer to any of the above questions is “yes.”

I attest that I have taken my child(ren’s) temperature and reviewed the list above and affirm that they are in good health to attend school today.
